UPDATE 8 - 2007

The jointly signed Memorandum of Understanding and Work Plan with the President of Ukraine's Secretariat and Institute Pamyati continue to be the focus of our work and discussions with a range of issues being developed.

BROCHURES AND EXHIBITIONS

It is anticipated that the Holodomor brochure prepared in range of languages by the President's Secretariat and in cooperation with our Committee will soon be in all Embassies of Ukraine around the world. These are for the use of our community structures when organizing events.

We have proposed that the brochure together with exhibitions on the Holodomor (Ukraine 3000, SBU and others) be formatted electronically, to allow communities internationally access to these resources.

PETITIONS

Petitions to Parliaments around the world continue to be presented in support of the President's call for support for Ukraine's UN resolution on the Holodomor –Genocide issue.

LEGAL, EDUCATION, EXHIBITION AND PR COMMITTEES

Committees continue to examine ways of coordinating our work internationally and also are contributing dialogue with Ukraine. In recent times Bohdan Futey (Legal Committee) and Morgan Williams (Exhibition Committee) have met with a range of representatives of Government agencies in Ukraine.

Prof. Serbyn continues to provide invaluable advice on issues.
