Commemoration of the 75th Anniversary of the Holodomor

**NHCC Bulletin #5
March 21, 2008**

The Remembrance Flame in Canada

The Remembrance Flame will begin its journey across Canada in Toronto, Ontario on April 18. The National Launch will take place immediately prior to the opening of the exhibit *Holodomor: Genocide by Famine* at Toronto's City Hall.

Canadian events titled "Keep the Flame Alive" are designed to remember the victims of the Holodomor while ensuring that the story is transferred from generation to generation, from Holodomor survivors to the youth. Commemorative programs will emphasize the importance of sharing facts about the Holodomor with Canadians and continuing the awareness campaign going forward thus helping to ensure that similar atrocities are never repeated.

Attached is the itinerary for the Remembrance Flame in Canada. For specific events and times please check advertising in your local community.
