Dear Friends,

The world has been turned upside down in a matter of a few weeks. We are all facing some extraordinary and challenging times.

How are you and your family faring in this time of great uncertainty? The Ukrainian World Congress is working hard to ensure that our members and communities in Ukraine and around the world are receiving the help and support they need. The Ukrainian World Congress is involving our global communities in support for Ukraine, especially in these times of need.

The Ukrainian World Congress has allocated UAH 20mln for medical supplies and equipment. We are proud of our community family in these difficult times.

The Ukrainian World Congress Leadership has been working together with UWC Support in the USA to provide much needed support for the Ukraine, especially during this time of great need.

We are proud of the unity of our global Ukrainian family. This is the celebration of eternal faith and triumph of life over death. Wherever we are, let's unite in help and support to each other and to Ukraine.

Easter is upon our global Ukrainian family. This is the celebration of eternal faith and triumph of life over death. Wherever we are, let's unite in help and support to each other and to Ukraine.
