Three Core Needs to Secure Ukraine's future

Long-term success depends on a strategic combination of:

Internal Leadership

A strong patriotic government and united nation

Defense Capability

Strength, strategy, deterrence and resilience

Global Support System

Sustained international alignment and engagement

INTERNAL
LEADERSHIP

Building a strong,
patriotic, and
united nation

DEFENSE
CAPABILITY

The Three UWC Pillars

Three foundations guiding our mission for Ukraine

Victory

Securing Ukraine's sovereignty through frontline defense, strategic advocacy, and unwavering global solidarity

Recovery

Rebuilding energy infrastructure, restoring essential services, and renewing the systems that sustain daily life

Community

Uniting 25+ million diaspora Ukrainians worldwide to preserve culture, strengthen networks, and build lasting partnerships

INTERNAL
LEADERSHIP

Building a strong, patriotic, and united nation

DEFENSE
CAPABILITY

Protecting freedom with strength, deterrence, and resilience

GLOBAL
SUPPORT
SYSTEM

Sustaining Ukraine through unified global solidarity

Each pillar answers one of Ukraine's three core needs:

VICTORY for defense, RECOVERY to support internal leadership, COMMUNITY for global support

Pillar One - Victory

Unite With Ukraine (UniteWithUkraine.com)

Unite with Ukraine is the global fundraising initiative of the Ukrainian World Congress, procuring and delivering critical equipment to support Ukraine's defenders. Since February 2022, the initiative has raised \$110+ million from donors in more than 70 countries.

Key frontline support provided:

- 57 tracked armored personnel carriers & 73 restored military cargo trucks
- 6,000+ drones & UAV systems including FPV, interceptor, and reconnaissance
- 200,000+ units of tactical medical consumables
- 15,660 sets of body armor & 9,110 ballistic helmets
- Sikorsky S-76A medical evacuation helicopter

In addition:

- UAV Engineering Training School founded
- 100M+ UAH raised via One United Fundraiser North American Tour (2026)
- Fight Like a Ukrainian monthly subscription campaign launched in March 2026

Pillar Two - Recovery

Energize Ukraine (EnergizeUkraine.com)

Launched by the Ukrainian World Congress in 2023 in direct response to Russia's systematic attacks on Ukraine's energy grid. The initiative enables anyone, anywhere, to provide energy security for Ukrainian communities.

- Delivers renewable and hybrid energy solutions: solar panels, battery modules, inverters, and complete autonomous microgrid systems
- Equipment coordinated through Ukrainian ministries (Energy, Foreign Affairs and Interior), as well as Ukrenergo, and Energoatom
- As of February 2026, more than 60 Ukrainian schools have received energy support
- Restored power to over 500,000 residents across three oblasts
- Marketplace platform where contributions go directly toward restoring power (from solar panels to full energy kits)

Pillar Three - Community

Policy advocacy, international coalition-building, and sanctions pressure

Sanctions & Accountability

Sustained advocacy for expanded sanctions against Russia and Belarus, accountability for war crimes, and seizure of Russian sovereign assets for reconstruction.

NATO & Euro-Atlantic Integration

Active advocacy for Ukraine's NATO membership pathway, and engagement at NATO summits and EU institutions across 80+ countries.

Holodomor Recognition

Advancing Holodomor genocide recognition internationally, deepening global understanding of the historical context behind Russia's aggression.

Community Mobilization

Representing 25M+ Ukrainians in 80+ countries as a unified diplomatic, financial, and humanitarian force. Amplifying the voices of local and national partner organizations on the world stage.

Democratic Transformation

Collaboration with civil society partners and the National Endowment for Democracy to strengthen Ukraine's governance during wartime.

Global Community Support

Providing support and assistance to Ukrainian communities around the world. Supporting history, culture and traditions through advocacy and education.

Why UWC?

The only organization combining global reach, access, influence, authority, and legitimacy — the definitive voice of the worldwide Ukrainian diaspora.

THE UWC DIFFERENCE

- **Global Reach** — Unites the Ukrainian diaspora across 80+ countries on every continent.
- **Global Access** — Direct lines to governments, parliaments, and international / regional / local institutions.
- **Global Influence** — Shapes advocacy, messaging, and public opinion on Ukraine worldwide.
- **Global Authority** — Aligns local and national partner organizations under one mandate.
- **Global Legitimacy** — The recognized voice of Ukraine's 25-million-strong diaspora.

No other entity operates at this level

LOOKING FORWARD

The Work Ahead

With continued partnership, UWC is positioned to drive impact across these fronts:

- Scale up Unite with Ukraine's recurring donor base and save lives through Fight Like a Ukrainian
- Expand Energize Ukraine to hospitals and schools in the most attacked oblasts / regions
- Preserve Ukrainian culture, history and education in diaspora communities worldwide
- Strengthen advocacy at G7, NATO, and the United Nations for sustained sanctions, accountability and support
- Connect, coordinate and support the activities of global Ukrainian communities, and build next-generation diaspora leadership

Thank you to all our dedicated supporters

Your partnership has been foundational to everything the Ukrainian World Congress has built since 2022. This work is not ours alone - it belongs to everyone who chose to stand with Ukraine when it mattered most, and who continues to stand with us. We are deeply grateful, and we hope to count on your continued support.
